

Celebration of Life for **Dr. J.E (Ted) Greenaway**

For 40 years, Dr. J.E. (Ted) Greenaway practiced dentistry on Stony Plain Road, eventually treating multiple generations of Jasper Place residents.

While he gave them stories of airplanes, buses, and his family, he fixed their teeth and learned about the lives of his many patient/friends.

Dr. Greenaway passed away in Edmonton on November 7th, surrounded by his family, at the age of 93.
