

TOY BRICK BUILD WORKSHOP: Friday, June 20, 2025 – 6 PM to 9 PM

West Jasper & Sherwood Community League (9620 152 St NW, Edmonton)

Have lots of toy bricks (LEGO, Mega Blocks, and other LEGO-clone brands) but have no idea what to do with them? Always wanted to build your own creation but don't know how? On Friday, June 20, 2025, come to West Jasper & Sherwood Community League, we will have a toy brick build workshop where you can freestyle, build simple sets, and **learn to DESIGN SIMPLE LEGO SETS with Bricklink Studio v.2.0!**

Come and watch the 'Design Simple LEGO Sets' 2 hours presentation by Let's P.O.P.! – **if you want to follow along, attendees can get 'Studio Download [Bricklink]' – free online (Google 'Studio 2.0') - onto their laptops (the app will not work on tablets and smartphones).** Attendees are also encouraged to bring their own toy bricks as your designs will be based on what you have in your toy brick inventory.
